## **Six Degrees Consulting Signs as an Aegis Identity Appliance Reseller**

**Greenwood Village, CO — March 26, 2010** — AegisUSA today announced that Six Degrees Consulting, an innovator in business critical information technology solutions with U.S. Headquarters in Portland, OR has signed on as an authorized AegisUSA Reseller Partner. The Aegis Identity Appliances, which provide a sound Identity and Access management (IAM) entry point for their clients, will be included as a part of Six Degrees existing security solution offering.

Bundling hardware, identity management software, and configuration services into a single package, [Aegis Identity Appliances](#) provide customers with scalable identity solutions at an entry-level price. The Aegis Identity Appliances have been developed to solve specific business needs such as reducing helpdesk costs, increasing user productivity, managing compliance requirements and protecting clients from the risks of intrusion. This unique offering in the IAM space is designed with the power, flexibility and scalability of an enterprise-level IAM solution allowing clients to expand their identity management infrastructure as business needs demand.

“Our partnership with AegisUSA further expands our product offering and offers us a security solution for companies concerned about security risks and cost reduction. Government, Higher Education, Healthcare and Enterprise accounts will benefit from having the ability to control multiple users in a variety of roles and locations. We are excited to introduce AegisUSA in our market,” said Molly Rouch, President of Six Degrees.

Six Degrees is partnering with AegisUSA as an [Authorized Reseller](#). This group includes both software and IT services providers who have been trained to sell and deliver AegisUSA's IAM Solutions. AegisUSA's network of Solution Partners are IAM industry leaders who ensure that AegisUSA customers have an integrated, total solution, which leverages the strength of AegisUSA's core technology.

“Six Degrees' product, service, technical bench strength and existing partnership with Oracle offer powerful synergies with the Aegis Identity Appliances,” said Ralph Armijo, AegisUSA CEO. “We are pleased to include Six Degrees as an AegisUSA Authorized Reseller and look forward to expanding the availability of the Appliances through the partnership.”

### **About Six Degrees Consulting**

Founded in 2001, Six Degrees Consulting was started under the premise that “it’s not just who you know, but to what degree.” We believe it is possible to view any business or organization as a living network in search of “connections of opportunity” or profit centers. Specializing in network and enterprise consulting in key technical disciplines, the Six Degree team consists of the brightest and most innovative minds in the business. While others choose to solve technical problems that involve businesses, we exist to solve business problems that involve technology. ### **About AegisUSA**

Founded in 2004, AegisUSA is a comprehensive solution provider focused on Identity and Access Management (IAM) products and services. AegisUSA offers a unique Identity Management Solution Continuum which provides clients with a spectrum of Identity Product offerings including Aegis Identity Appliances, Aegis Pre-Defined Identity Solutions, Custom Identity Solutions, Managed Delivery of Identity Infrastructure and, as a future offering, Identity as a Service. All of AegisUSA’s Identity Solutions are based on proprietary Intellectual Property (IP), a set of methodologies developed and packaged to harness and encompass the company’s vast IAM expertise. Leveraging AegisUSA’s IP provides clients with an Identity Solution that will scale to meet current and future identity infrastructure requirements as business needs emerge and budget becomes available. Additionally, clients benefit from reduced deployment costs, reduced deployment time, reduced complexity, and reduced risk as a direct result of AegisUSA’s methodology and solutions.
